

CJA eVoucher AND WINDOWS 10 COMPATIBILITY

CJA eVoucher is not compatible with Edge browser, however, Edge has a built-in option to open the site in Internet Explorer.

RECOMMENDATIONS:

Internet Explorer 11 is included in Windows 10, but it is not the default browser. Here is the fastest way for an attorney or firm to find IE11 in Windows 10, and add it compatibility mode:

- 1) Click the Windows button and type Internet Explorer in the Start Menu. IE11 will appear. Select it. Next, click on Tools > Compatibility settings > click ADD to manually add the web site in compatibility mode. Click Close.

OR

- 2) Go to Start Menu > All Apps > Windows Accessories > click on Internet Explorer. Next, click on Tools > Compatibility settings > click ADD to manually add the web site in compatibility mode. Click Close.
