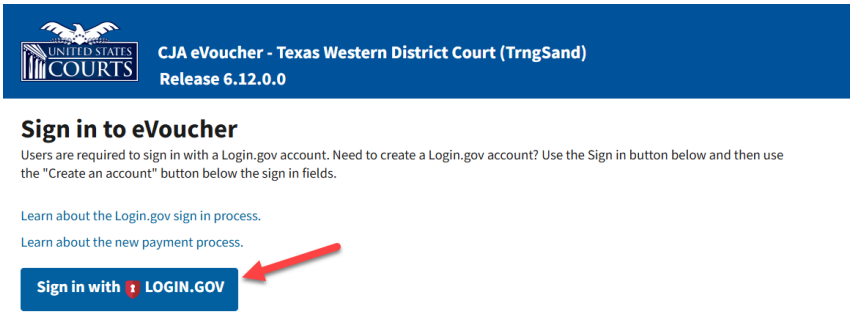
Linking Your eVoucher Account to Your Login.gov Account WITHOUT Your SLP Email Address

If you already have a Login.gov account, you must link it to your eVoucher Single Login Profile (SLP) account to sign in to eVoucher. **Note:** Skip to step 4 if you have already signed in to Login.gov.

Step 1

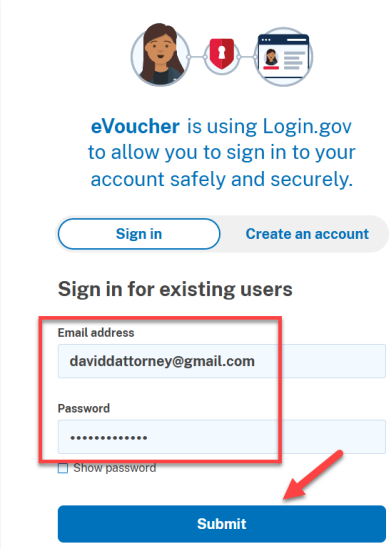
From your court's eVoucher sign in page, click **Sign in with LOGIN.GOV**.



Step 2

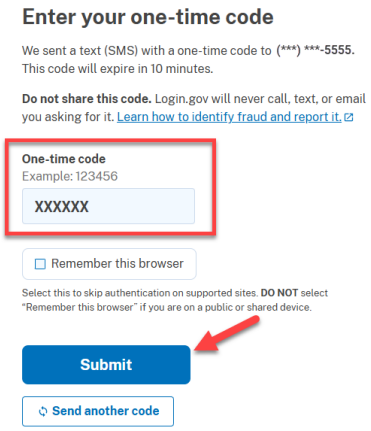
You are taken to the Login.gov website, where you can sign in or create an account. If you have not created your Login.gov account, review the Creating a Login.gov Account job aid before continuing.

The website defaults to the sign in view. In the **Email address** field, enter the email address used to create your Login.gov account, and then in the **Password** field, enter your password. Click **Submit**.



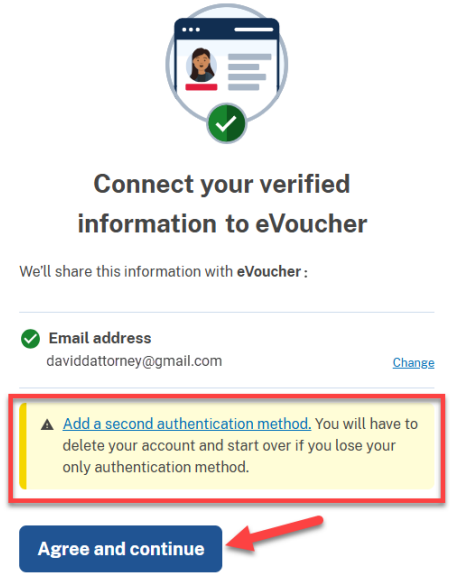
Step 3

In the **One-time code** field, enter the one-time code sent to your device using your chosen authentication method, and then click **Submit**.



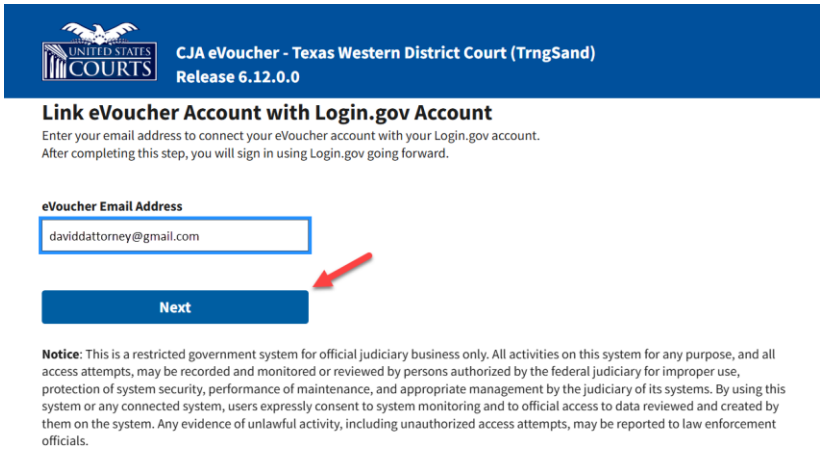
Step 4

Next, you are asked to connect, or link, your Login.gov account with your eVoucher account. It is recommended that you add a second multi-factor authentication method if you haven't already. To do this, follow the instructions to add the second method, and then click **Agree and continue**.

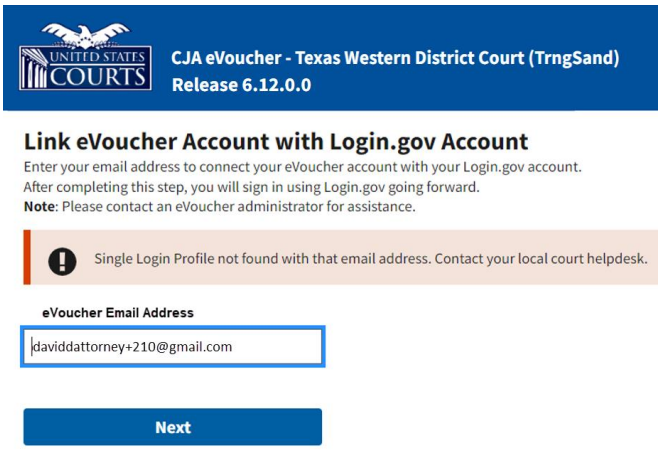


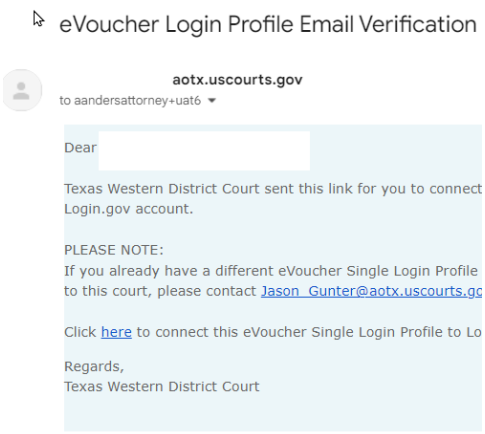
Step 5

Login.gov directs you back to your court's eVoucher sign in page. Note that the **eVoucher Email Address** field is now pre-populated with your email address. Click **Next**.



Note: If your Login.gov email address is different than your SLP email address, an error message appears, prompting you to contact your court's help desk. If you do this, your court then sends you an email message with a link that you can click to automatically connect your two accounts.

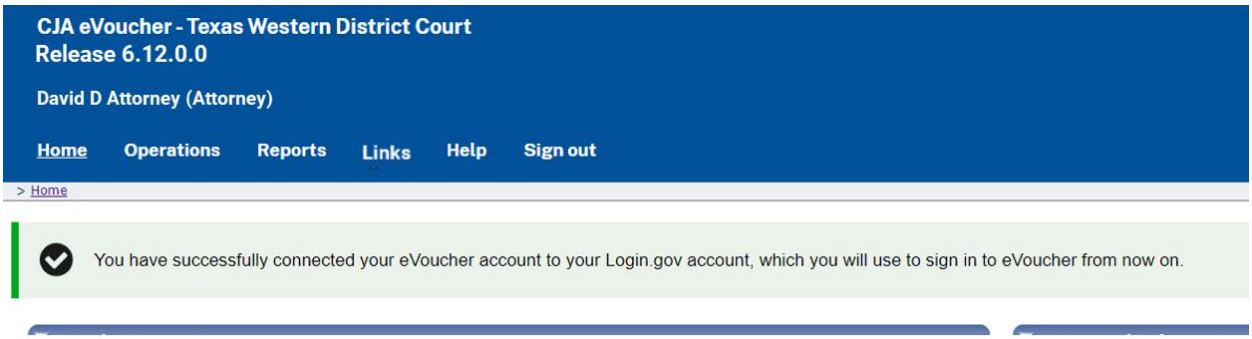




If you had to stop the process and/or close your browser, you are required to sign in to Login.gov again.

Step 6

If your accounts are successfully linked, a success message appears at the top of your eVoucher Home page. Continue to use eVoucher normally.

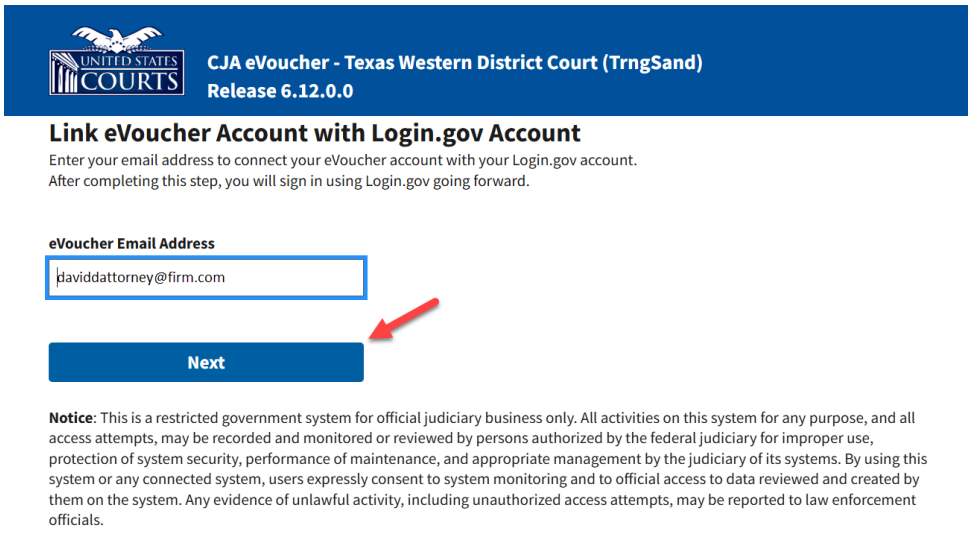


Linking Your eVoucher Account with Your Login.gov Account WITH Your SLP Email Address

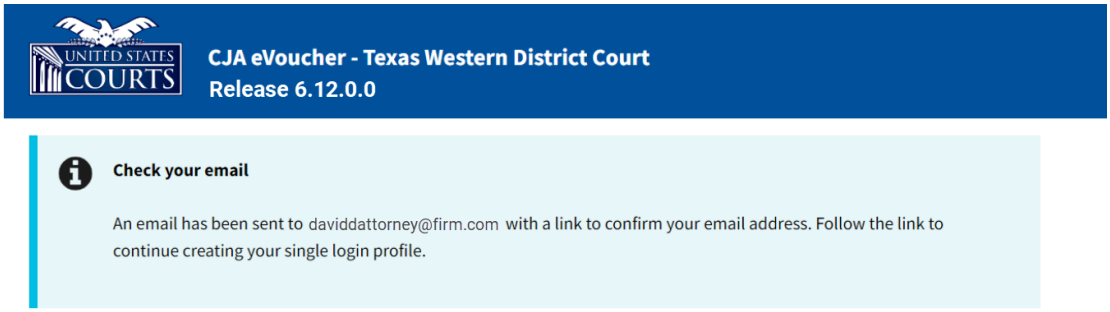
If you have signed in to Login.gov and are directed to your court's eVoucher URL to link your accounts, the Login.gov email address automatically appears in the **eVoucher Email Address** field.

Step 1

If desired, you can delete the Login.gov email address and enter your eVoucher email address in this field. Click **Next**.

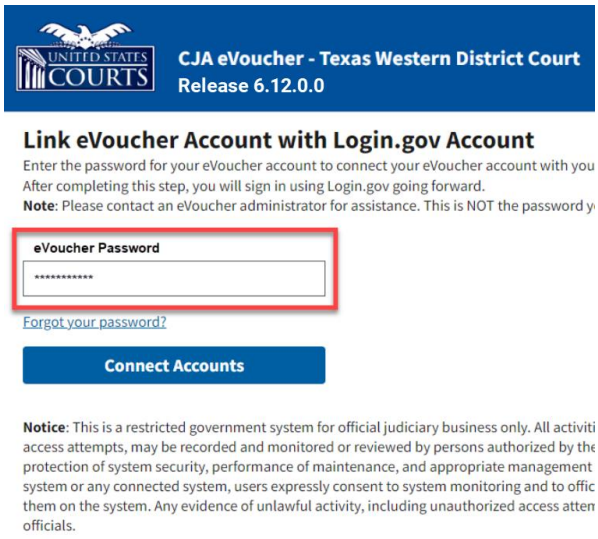


If you are a new user, a message appears prompting you to check your email and confirm that you entered the correct email address. Click the link in the email message to automatically link your accounts and return to your eVoucher Home page.



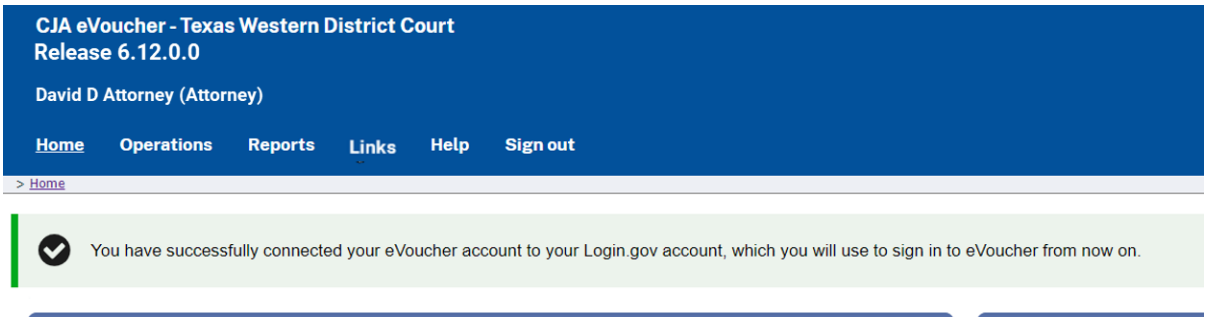
Step 2

In the **eVoucher Password** field, enter your eVoucher SLP password (the password you normally use to access eVoucher), and then click **Connect Accounts**. If you don't remember your password, click the **Forgot your password?** link and follow the security question prompts. If you enter your password incorrectly six times or fail your security questions three times, your account locks and you must contact your eVoucher administrator.



Step 3

If your Login.gov account is successfully linked to your eVoucher account, a success message appears at the top of your eVoucher Home page. Continue to use eVoucher normally.



You have now linked your eVoucher account with your Login.gov account. For all future use, sign in to Login.gov to access eVoucher.
